

HELP STARTS HERE

Refer Patients to 211 for Everyday Needs and in Times of Disaster

When your patients need non-urgent help and don't know where to turn, suggest they dial 211. These three simple digits connect the caller with free information on community resources. Patients can get help finding food, housing, health services, senior services, child care, and legal aid. During and after a disaster, 211 is the place to turn for up-to-date information.

211 is free, confidential, and available in more than 170 languages. Anyone can call 211 to talk with a live call specialist 24 hours a day, seven days a week, or visit 211scc.org in Santa Clara County or 211mc.org in Monterey County for community resources.

If you would like 211 outreach materials for your waiting rooms

or exam rooms, contact Victoria Nguyen (victoria.nguyen@uwsv.org) in Santa Clara County or Ronn Rygg (rrygg@unitedwaymcca.org) in Monterey County. 211 Santa Clara County is a program of United Way Silicon Valley and 211 Monterey County is a program of United Way Monterey County.
